

HOW TO COMPLETE YOUR CLAIM FOR EXTENDED HEALTH BENEFIT EXPENSES

1

Complete all the subscriber information in Section 1 and Section 2 (*Self*). If you are claiming for your spouse, and/or dependents, please include them in Section 2.

2

Every receipt you are submitting must be indicated in Section 4 with all corresponding fields completed or the form will be sent back for you to complete and sign. Out-of-country expenses, including accidental dental claims, must be claimed using the *Alberta Blue Cross Dental Claim Form*.

3

This section must be completed, even if you only check the "No" box. If, however, you, your spouse, or any dependents are entitled to receive comparable benefits for the expense or services being claimed from any other health benefit plan (including another Blue Cross plan), the remainder of Section 3 (*Other Coverage*) must be completed.

4

Please ensure you have read and understood Section 5, *Acknowledgement and Consent*. In doing so, the subscriber should ensure that:

- all individuals for whom this claim is made are eligible under his/her plan, and
- your spouse and eligible adult dependents are aware and have authorized the subscriber to disclose and receive information about their claims made under this plan.

5

By submitting this claim form, the subscriber, spouse and eligible adult dependents who are claiming agree to the provisions of the *Acknowledgement and Consent*.

RECEIPTS

1. Attach original paid receipts for each expense claimed and **keep copies for your records, as these receipts will not be returned**. If you have claimed these expenses under another plan, the original Explanation of Benefits (see explanation) from that plan and **copies** of receipts **must** be attached to this claim. All original receipts must indicate the following information: first and last name of individual receiving the service, date or dates on which the service was obtained, the service or product purchased, the provider of service's name and address and the amount charged and paid.

NOTE: Receipts/invoices with incomplete information will be rejected.

OTHER COVERAGE (Coordination of Benefits)

Coordination of Benefits (COB) is a standard practice among benefit carriers in Canada. COB allows people with more than one plan to maximize their coverage.

If you are claiming expenses for your spouse and your spouse is covered for those expenses under another health benefit plan, you must submit the claim to your spouse's plan first. If both you and your spouse have health benefit coverage, your children must claim under the plan of the parent with the earliest birthday (month and day) in the calendar year. For example, if your birthday is May 1 and your spouse's is June 5, your children will claim under your plan first.

EXPLANATION OF BENEFITS AND CLAIMS PAYMENT

An Explanation of Benefits statement, indicating how this claim was assessed, will be sent to the subscriber to be used for income tax purposes or to claim under other coverage. If you are being reimbursed, a cheque will accompany the statement. If your claim is complete with all the necessary receipts and documents, the Explanation of Benefits and cheque (if appropriate) will be mailed approximately two weeks after we receive your claim.
