

NORTHWEST TERRITORY MÉTIS NATION

Metis Nation Seniors Fuel Subsidy

The Senior Fuel Subsidy is a program that helps to offset the high cost of heating fuel for indigenous Metis seniors who do not receive Government subsidies for a home they own or rent and live in.

A fuel subsidy may be given to those who already receive subsidies upon review on a case-by-case basis.

A one-time subsidy of up to \$1,000.00 will be given to eligible seniors towards heating.

*This subsidy includes wood, heating oil, propane used for heating, electric heat and or wood pellets *

Electric heat would require a hardwired heating source, plug in type heaters would not be considered a heat source for this program.

Note * A receipt with your name spouse or partner must be provided for any of the heating methods named above. *
